

Young Adult Leadership Experience

empowering you to be the best you

OBRA HISPANA

Dallas, TX | Nov. 20-23, 2019

El empoderamiento, las oportunidades de desarrollo y el apoyo son vitales en la actualidad para garantizar la capacidad continua y creciente de liderazgo de la Obra.

Con un enfoque intencional en el desarrollo de jóvenes adultos hispanos, La Experiencia de Liderazgo es para miembros de la Obra Hispana entre 19 y 35 años de edades. La Experiencia es de tres días y medio y participantes tendrán un año con un mentor. El programa se centra en una experiencia en grupo pequeño, talleres, hermandad intencional, análisis de dones espirituales, cuidado personal y empoderamiento, desarrollo de liderazgo, y adoración corporativa. Los participantes harán un proyecto para fomentar la relación a través del servicio.

Cada experiencia tiene espacio limitado de 12 participantes. Se requiere un compromiso del liderazgo de la iglesia local, región o convención para proveer oportunidades de servicio y participación para el continuo desarrollo del participante por un año después.

Empowerment, development opportunities and support are vital today to ensure the continued and increased leadership capacity of the Obra Hispana.

With an intentional focus on the development of Hispanic young adults, **The Young Adult Leadership Experience** is for members of the Obra Hispana between 19-35, intentionally addressing three focus areas: Identity, Resources and Connection. The Experience is three and a half days long and participants will have a one year relationship with a mentor following the experience. The program will be centering on small group learning experience, workshops, intentional networking, self-care and empowerment of self, spiritual gifts analysis, leadership development and corporate worship. Participants will do a local community service project to foster relationship through service.

Space is limited to 12 participants per experience. A commitment to provide opportunities and support for continued development for one year after attending the conference through participation and service in the local church, convención or region is required with each application by the local pastor, convención leader or regional leadership.
