

## INTERESTING FACTS ABOUT **PERMANENT** FUNDS

- ✓ A Permanent Fund is an investment account in perpetuity, whose principal remains intact and growing. Under no circumstances is the primary donation used, solely a portion of the interest it generates and only for the purposes set forth.
- ✓ Once the fund is established, it is important to continue receiving continuous donations to ensure the availability of funds for the training of clergy and lay leaders of our Hispanic churches.
- ✓ Permanent Funds are currently in the Foundation of the Christian Church (Disciples of Christ). The Foundation is the institution of our church that houses these funds, and keeps the Central Pastoral Office informed of fund status.

# THE OBRA HISPANA PERMANENT FUNDS

*The Obra Hispana is the legacy of all Hispanics within the Christian Churches (Disciples of Christ) in the United States and Canada.*

*We are inspired by a deep responsibility to continue having a significant presence in places where there are Hispanic communities. A third generation, promising to be of great blessing, is emerging in our churches. We must provide today for new generations tomorrow.*
